Single Decker Health Bus Hire

Our Single Decker Health buses are suitable for

- Health Awareness
- Smoking Cessation Campaigns
- Sexual Health Advice
- Consultancy Initiatives
- Healthy Living Advice

In fact the bus would be suitable for any campaign where privacy was essential.

Due to their current configurations most clients will be able to use these health buses without any changes

Health buses are available for short or long-term hire with hire rates between £145* - £425* per day dependent upon the duration.

* Vehicle Hire Only, Excludes running and branding costs i.e. Driver, fuel internal/external branding, tolls etc.

These vehicles were first used as standard service buses prior to being extensively modified and converted into health buses.

With an average conversion cost of £75,000 these health buses are built to a very high standard and provide the ideal environment for conducting health checks
